Care For:*

Neck & Back Pain

Headaches

Extremity Pain

Soft-Tissue Injuries

I have been a practicing chiropractor in the state of Hawaii for the past 35 years. I have been referring patients who require massage therapy to Cynthia for almost 20 years.

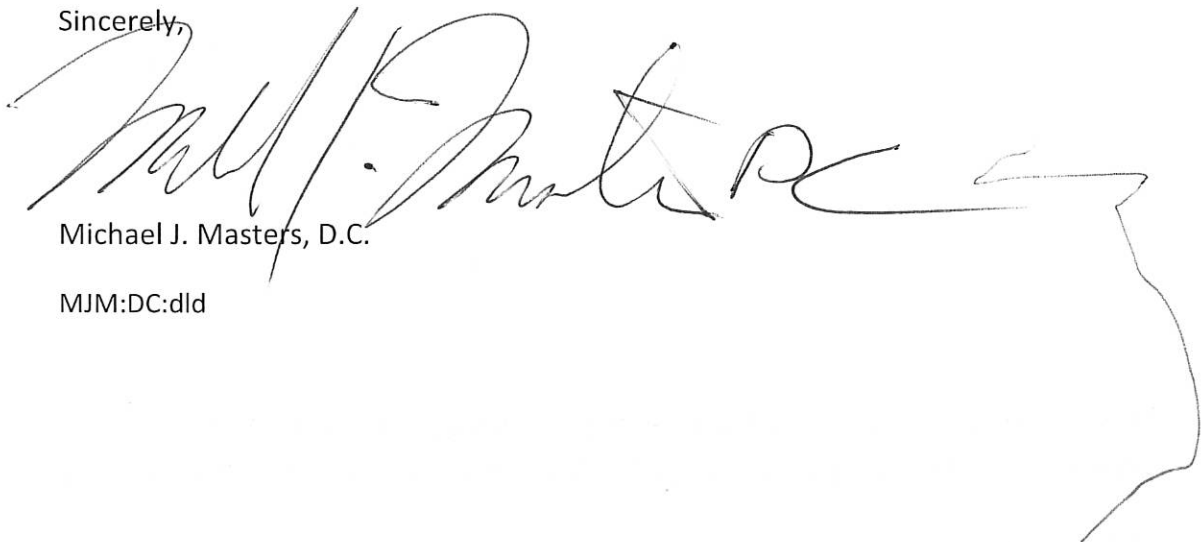

Cynthia Shilling has always shown a superb professionalism in dealing with my patients. Her constant focus on the patients was always reflected in her communications with me.

I miss her dearly.

In my business dealings with her over the years, she has been consistently responsible in all manners of interaction. She has always been pleasant and cordial on a personal level.

If you have any questions, please feel free to contact me at anytime.

Sincerely,

Michael J. Masters, D.C.
